

Soil and Conservation and Land Utilization Act
DECLARATION OF AREA OF EROSION HAZARD

I, CECILIA NOEL PADGHAM-PURICH, the Minister for Housing and Conservation in pursuance of section 17(1) of the *Soil Conservation and Land Utilization Act*—

- (a) declare the area of land comprised within the boundaries of the thick black lines shown on the plan appearing in the Schedule, being approximately 143 square kilometres (known as the "Farm Area") south of Heavitree Gap and bounded by Undoolya, Owen Springs and Pine Gap, part of which land is subject to soil erosion and the remainder, likely to become subject to soil erosion, to be an area of erosion hazard; and
- (b) prescribe that—
 - (i) for the purposes of controlling dust in the area so declared, landholders in the area shall maintain ground cover on their respective holdings to the satisfaction of the Commissioner; and
 - (ii) for the purpose of reducing dust, the Commission will undertake rehabilitation of scalded lands and will provide advisory services, estimated to cost \$50 000 during the financial years 1984-1987.

Dated this eighteenth day of June, 1984.

C. N. PADGHAM-PURICH
Minister for Housing
and Conservation
